PARISH COUNCIL MINUTES

Parish Council minutes are no longer published in Grapevine due to processing problems. They can, however, be viewed on the Parish Council website <https://www.hosmparishcouncil.co.uk/> and also on the parish council notice boards. You may need to copy the website details into your search engine. To access the minutes, go to 'tab' Parish Council and click on the first item listed and all published minutes and agendas are available to view.

INTRODUCING YOUR NEW PARISH COUNCILLORS

I'm **David Marsland**, I'm 42 years old and have lived in the village for the majority of my life.

I run our family farms with my father on the outskirts of the village, I have two young children and a wife Emma who runs her own business at Brandesburton.

My name is **Edward Smith**, I am 53 years old and I have lived in Holme on Spalding Moor for all but 3½ years of my life. I was educated at the village Primary School, followed by Market Weighton School and then went on to study at the Royal Agricultural College.

I am married to Claire and we have two children who are both away at University. I am a Rural Practice Chartered Surveyor and advise clients throughout Yorkshire.

Over the years, I have seen the village of Holme on Spalding Moor change in a great many ways. I firmly believe that villages need to change over time in order to keep their vibrancy and to ensure that the services and facilities that residents rely on are maintained. However, whatever changes that do take place need to be managed and be sympathetic to the existing village and I believe that the Parish Council plays an important role in achieving this. I will do my best to contribute constructively to Parish Council business and to serve the best interests of the residents of Holme on Spalding Moor.

Hello everyone, I'm **Amanda Gupta**, and I am excited to share a little bit about myself.

Over the years, I have built a successful career in procurement within the dynamic world of interior design. It has been an incredible journey, filled with achievements and experiences that have shaped me both professionally and personally.

For the past four years, I have had the privilege of calling this village my home.

This place holds a special significance for me because it's not just where I live now, but also where my family has deep roots. Generations of my family were born and raised right here, which has instilled in me a profound sense of connection and love for this community.

One of my greatest passions is helping others and making a positive impact. I strongly believe that in order to bring about meaningful change, we must actively get involved.

That is why I made the decision to join the Parish Council. Being a part of the Parish Council allows me to actively contribute to the development and welfare of our community, working together with other dedicated individuals to address important issues and make informed decisions for the betterment of all.

Additionally, I am proud to serve as a committee member of Holme Helpers. This organisation is close to my heart because it aligns perfectly with my passion for helping others. As a committee member, I actively participate in various initiatives to support and assist our community members. It's incredibly fulfilling to see the positive impact we can make when we come together and work towards a common goal.

I am grateful for the opportunities I have been given, and I am eager to continue my journey of community service and engagement. By combining my expertise in procurement, my love for this village, and my dedication to helping others, I strive to create a better future for all who call this place home.

Due to the school holidays Messy Church at Holme on Spalding Moor will not be held during July and August. Please watch out for further notices from September onwards.

For more information, please contact Kath Worsey at Kathleen.Worsey@gmail.com or tel. 07740282665

HOLME ON SPALDING MOOR PRIMARY SCHOOL BUILD AND RACE A CAR

Report from Tracey Levitt

Holme School, year five children, recently participated in their first ever Goblin car race at the MKM Stadium in Hull.

The event, organised by the UK based charity Greenpower Education Trust, inspires young people to become enthusiastic about science, technology, engineering, and maths by challenging them to design, build and race an electric, single seater car.

The children embraced a range of roles and worked most effectively and enthusiastically as a team!

They drove skilfully to **gain first place** in the slalom competition, **gained first place** for their portfolio book - which recorded their Goblin journey and were also awarded the trophy **for overall winners of the competition!**

Sincere thanks and gratitude must go to Ron Dearing UTC who provided us with the parts to build the body and Holme on Spalding Moor Parochial Trust, who kindly gifted us the entire money needed to purchase ALL the vital components of the car, crash helmets, safety clothing, banners and even supporters' T-shirts!

Thanks also to the great support from both staff and parents, the superb cheering and good use of pom poms!

An amazing opportunity which we hope to repeat next year with the upcoming year five!

Class six, you were fantastic and are great ambassadors of Holme School.

Photographs, including the front page, are courtesy of Holme on Spalding Moor Primary School

Western Wolds Men in Sheds

They say time flies as you get older, and it seems no time at all since I wrote the last article for the May/June Grapevine.

The size of our workshops has increased dramatically and with the reorganisation that has been done, we have plenty of space to work. Members are busy creating workspaces and dust extracting systems.

The mini libraries are now in place in Bubwith, North Duffield, Hemingborough and Cliffe. We are very pleased with the feedback from these villages. A job well done!

A team was formed to create a raised platform for the Christian Fellowship Church, and this was completed in record time.

The other Andy interest in all things metal has grown to include tractors as well as complicated engineering projects.

A planter was created just in time for the Coronation celebrations in Market Weighton and is on display in the garden area behind the Giant Bradley Statue. The planter bears the Logo 'Blooming lovely bee trail' as requested.

We are costing 2 mud kitchens for a school in Market Weighton as well as several other projects that are under consideration at present.

We are proud to say we are self-funding and any grants we obtain are used to improve our workshops. The Acorn Charity at Market Weighton gave us £500 that was used for new bench vices.

We were given an oak tree that had to be moved to a sawmill to be cut into planks. Then brought to our shed to stack. This mammoth task did not phase Howard and several other members who swung into action to do this!

A donation of hardwood doors was also picked up and members will use them as they are or will salvage timber from them for projects.

Tom, a member brought a huge quantity of larch planks and together with half a dozen willing members set about creating 4 doors for his barn. These were cut

routed and constructed in record time. All Tom needs now is half a dozen able bodied members to help him fit them as they are very heavy.

Members are also making items to showcase at Giant Bradley Day as we have a table display again in July.

New members are always welcome and as we are open 10.00am until 4.00pm Tuesday, Wednesday, Thursday and Friday it's a great place to drop in. If you want a chat about it, our phone number is: 07958556888 and if I don't answer I will ring you back.

Our website is: westerwoldsmis.co.uk and our blog is also attached to this page.

Goole is set to play host to 100 of the world's leading cyclists after being named as a stage start for the Tour of Britain, the UK's leading cycle race. On Tuesday, 5 September, stage three of the prestigious race, which will include Olympic, world and Tour de France champions, will line up on Boothferry Road in the town centre before racing exclusively through East Yorkshire's towns and countryside before finishing at the racecourse on Beverley Westwood.

This will be the first time East Yorkshire has played host to an entire stage start and while details of the exact route have yet to be announced, the race will take in Howden, Market Weighton, Driffield, Bridlington and Hornsea. It will be the first time since 2008 that the Tour of Britain has come through the East Riding, although the county is no stranger to international cycle races having hosted a number of stage starts in Beverley and Bridlington for the recent Tour de Yorkshire events, as well as the UCI para-cycling event in 2019.

Councillor Anne Handley, leader of East Riding of Yorkshire Council, said: "I am absolutely delighted to be able to announce that the East Riding will be hosting a full stage of the Tour of Britain and really excited that Goole has been selected as a start location.

"It will be fabulous, not just for the people of Goole to get involved with such a prestigious race but for people across the East Riding and what a

fantastic opportunity to show not just the UK, but the world, what a beautiful place we live.”.

Mick Bennett, Tour of Britain race director, said: “Given the amazing response that followed the unveiling of Beverley as the stage three finish host, I’m excited that we’ve got even more great news for everybody in and around the East Riding of Yorkshire.

“People have requested full Tour of Britain stage in the area for years – ask and you shall receive, I say!

“Stage three promises to be a wonderful showcase for this part of England, something that couldn’t have happened without the fantastic support of everyone in the East Riding. See you all in September.”

Since its return in 2004, the Tour of Britain has become a cornerstone of the UK sporting calendar.

Over 15 million people have watched the event in person, with the race generating over £330m for the UK economy to date. Former winners include Frenchman Julian Alaphilippe (2018), the two-time world champion, and Belgian star Wout van Aert (2021), while British sporting hero Mark Cavendish holds the record for the most stage victories (10). The Tour of Britain 2023 will begin in Greater Manchester on Sunday 3 September and culminate eight stages later in South Wales (Sunday 10 September). Along the way the riders will race through Wrexham, Nottinghamshire, Suffolk and Essex, creating an unforgettable sporting spectacle that is free for all to watch.

* More details of this year’s race, including full stage routes and competing teams, will be announced in the coming weeks and for more information go to www.tourofbritain.co.uk

ITV4 will continue to broadcast live flag-to-flag coverage of every stage, as well as daily highlights show, allowing fans in the UK to watch the action unfold wherever they are. International coverage will be available in over 150 countries courtesy of Eurosport and GCN+.

STARS WANTED BY HOLME ON SPALDING PRIMARY SCHOOL

- Holme on Spalding Moor Primary School is searching for stars. The STARS, which stands for Supporting Teaching and Reading Scheme, visit school to support children with their reading.
-
- The Scheme recruits volunteers to work with children on a one-to-one basis to develop their reading skills, improve their confidence and raise their self-esteem. The aim of the scheme is to provide relaxed, adult help to those children who do not find reading easy or who are in need of support. It also helps children to develop an interest in reading and enhance their enjoyment of books. Volunteers typically offer two hours per week.
-
- Steve Woodhouse, Headteacher at the school, said 'I have always had groups of STARS in the schools I have worked in. The children benefit greatly and we would love to have more volunteers on board in Holme on Spalding Moor.'
-
- To be a valued STARS volunteer you do not need any experience as full training and support can be provided. All volunteers are required to undertake a DBS check which is free of charge.
-
- If you are interested in volunteering in the school , or would just like more information, please contact Steve, on 01430 860287, e-mail hosm@eastriding.gov.uk or write to Holme on Spalding Moor Primary School, High Street, Holme on Spalding Moor. YO43 4HL

After an excellent recruiting campaign

New 'Stars' stated what an excellent experience
it has been and are looking forward to returning

HOLME-ON-SPALDING-MOOR WI

As 2023 marks the one hundredth anniversary of our village WI, keep a lookout for posters later in the year for events being organised by HOSM WI. The posters will also appear on Facebook on the HOSM Community Page as well as around the village noticeboards.

Dates so far for your diaries are:-

September 9th - we will be hosting our fundraising coffee morning. Come and enjoy our home baked refreshments, our various stalls including a cake stall and our famous tombola.

October 20th - a must is the fashion show that we are organising. A chance to pick up some famous labels that will not break the bank.

Further details will follow but keep these dates handy.

Back to the present - we held our May Resolutions meeting at the start of the month. The Resolutions Voting was followed by some excellent pizzas from Centre Pizza and members brought along their own wine.

In June we had a talk all about 'Mineralogy'. We learned some interesting facts about minerals, rocks, and some precious gems.

July will be all about flowers with a speaker from a flower farm who will demonstrate an unusual arrangement before members then create their own.

August our speaker, Kathleen Bennett's talk is entitled 'Making a Difference'. The story of animals orphaned in the wild and rescued by humans.

Every meeting feature amazing refreshments with home baking, tea and coffee. Meetings are held on the first Wednesday of every month at 7.30pm in the Community Room, Village Hall. Again, check on the Community Facebook Page for all the information for our meetings.

New members are always very welcome. The visitor's fee is £4 which includes a speaker and refreshments as above and there is always a chance to win in our monthly raffle.

We also run a monthly coffee club visiting garden centre venues on the second Tuesday of each month. We meet on the car park there at 10am, returning around 12 noon. Plenty of lifts available, we are a friendly crowd so do join us.

Finally, as the WI is a nationwide organisation there are plenty of opportunities for our members to visit other WIs within the East Riding as well as the chance to represent us at

the Annual Meeting which is held every year in various cities - this year Cardiff, next year The Albert Hall. Two of our members travelled to Cardiff in June along with other East Riding WI members on a coach from Beverley for an overnight hotel stay before the Annual Meeting held at St. David's Hall.

21 million scam emails reported

Almost 21 million reports have been made to the Suspicious Email Reporting Service (SERS), resulting in the removal of over **235,000 malicious websites**.

SERS was launched by the [National Cyber Security Centre](#) (NCSC) and the City of London Police in April 2020 to enable the public to forward suspicious emails to an automated system that scans them for malicious links. Since its launch, almost 21 million reports have been made to the service.

Mobile phone providers also offer a service that allows customers to report suspicious text messages, by forwarding them to the number **7726**. The service is free of charge and enables providers to takedown malicious websites and block malicious texts from being sent across their network.

As of 31 May 2023, **54,000 text message scams have been removed** as a result of suspicious texts forwarded to the 7726 service.

Commander Nik Adams, from City of London Police, said:

“Every year, thousands of people in the UK are scammed by a fraudulent email or text message. Phishing scams, whether it’s a text message claiming you have missed a delivery and are required to pay a redelivery fee, or an email claiming to be from your bank are a common security challenges that both individuals and businesses across the UK face on a daily basis.

“If you receive an email or text message that you think might be a scam, don’t respond to it or click any links in the message or email. Instead, contact the organisation directly using contact information from the company’s official website, and not the links or numbers provided in the message itself.

“If you think you have been a victim of fraud, report it to Action Fraud at www.actionfraud.police.uk or by calling 0300 123 2040. By reporting phishing scams or suspected fraud, you are directly helping us in our work to identify and stop these criminals and helping us protect others from these scams. If you are in Scotland, I ask that you report the fraud directly to Police Scotland by calling 101.”

How to protect yourself from scam emails and texts

Received an email or text that seems suspicious? Report it. Your reports enable us to remove the emails and websites criminals use to commit fraud and cyber crime.

1: Forward suspicious emails to report@phishing.gov.uk . Send emails to this address that feel suspicious, even if you're not certain they're a scam - we can check.

2: Forward suspicious text messages to 7726 (it’s free of charge). Your provider can find out where the text came from and block or ban the sender.

3 - If you’ve lost money or provided personal information as a result of a phishing scam, notify your bank immediately and report it to Action Fraud at www.actionfraud.police.uk or by calling 0300 123 2040. In Scotland, call Police Scotland on 101.

Please note: Sometimes a forwarded email may not reach us because it is already recognised by spam detection services. You can also take a screenshot of the email and send it to report@phishing.gov.uk

(If you found this information useful, please forward it to your friends and family)

Bubwith Bridge - Shuttle Bus

The Council has arranged a shuttle bus to maintain a connection between Holme on Spalding Moor and Wheldrake during the closure of Bubwith Bridge. During the works East Yorkshire Buses service 18 will terminate and start from North Duffield, it will not serve Bubwith, Foggathorpe or Holme on Spalding Moor. The shuttle bus will be provided by Acklams Coaches. There will be no charge for using the shuttle bus, but passengers must pay the appropriate fare on East Yorkshire Buses Service 18.

CARING FOR YOUR DOG DURING WARM WEATHER

Dogs lose heat through panting, can only sweat through their paws, and are at high risk of getting heatstroke. Follow our top tips to keep your dog cool in the heat.

PROVIDE SHADE AND WATER

- Provide constant access to shaded areas inside and out.
- Ensure there is always cold, clean, fresh water available.

WALKIES

- Head out in the early morning or late evening when it's cooler.
- Don't run or cycle with your dog when it's hot.
- Avoid pavements. If the ground is too hot to touch with your hand for a few seconds, it's too hot for paws!

KEEPING COOL

- Prevent sunburn by using pet-safe sunscreen on ear tips and nose.
- Brush your dog regularly to keep their coat thin and free from matts or knots.
- Use frozen toys, paddling pools or water sprinklers to entertain and cool your dog down.

REMEMBER:

Dogs can die in hot environments.

See: rspca.org.uk/dogsinhotcars

Never leave pets in vehicles, caravans, conservatories or outbuildings in warm weather.

HEATSTROKE CAN KILL.

Know the signs of heatstroke and contact a vet immediately if you spot them: heavy panting, excessive drooling, lethargy, drowsiness, uncoordinated movements, a state of collapse and vomiting.

HOLME HELPERS NEWSLETTER JUNE 2023

Hello to all our Clients, Donors, Supporters and Volunteers.

- ★ **The Pantry** - We have provided an amazing **676** deliveries to our clients over the past 12 months - thank you for enabling us to do this as we are wholly reliant on donations to continue with our food bank.
- ★ **Prescription Delivery** - We have an increasing number of prescriptions we deliver to housebound clients, so a big THANK YOU to our new volunteer who has come forward to help us!
- ★ **Befriending Service** - has increased in clients & volunteers to support them – **We are still looking for additional clients & volunteers** – please contact us if either is of interest to you or someone you know.
- ★ **Facebook page** - it is great to see so many of you interacting with us & has reached **3,255 people** with **110 followers**. please share wider as the more the merrier! It has also become a page to link with the wider Holme community to share information and bring the village together.
- ★ **Our website is now LIVE!** www.holmehelpers.co.uk Lots of information, contact form, notice board, with more to be added in the coming months.
- ★ **Would you like to support us with a financial DONATION?** We now have a Just Giving page www.justgiving.com/crowdfunding/holme-helpers?utm_term=V8aE3A3EM

As a non-profit organisation, we rely on the generosity of individuals & organisations. Any contribution, no matter how small, can make a significant difference. We are entirely run by Volunteers and every penny we raise goes towards providing essential services to the local residents who need them.

★ **Recent Events:**

Coronation Big Help Out on Monday 8th May In collaboration with the HOSM Scouting groups was a good chance to get to know people in the village, with many of you joining in the games & enjoying the refreshments. We raised a wonderful **£150**, which has been shared equally with the Scouts.

National Volunteering Week on Saturday 3rd June was a Litter Pick, Treasure Hunt & a Cream Tea, thank you to the small number who supported us, we raised **£63.60**.

Holme Grown Village on Sunday 25th June raised a small amount of £30, however we did sell all the scones & cheesecake & several plants – thank you to all who supported

us. Our entry into the Scarecrow competition, “Hetty the Holme Helper” which Diane & Jane Cavenche created, won a Highly Commended rosette.

★ **Future Plans:**

The Gardening Project - is progressing, we have now purchased the equipment following receipt of the Tesco Community Grant.

Actively Recruiting Gardening Volunteers – please contact us if you can help.

Basic Gardening Services - We are planning to start our Gardening Service in the near future, to support those unable to complete their own gardening maintenance.

Please contact us to register your interest, we will then arrange to look at your garden to see if we can help you.

As we are providing this through volunteers we will ask for a donation, which will be discussed during our visit.

Various contact details are at the end of this newsletter.

★ **HOW YOU CAN HELP US THIS MONTH:**

★ **Support the Pantry - this month we particularly need donations of any of the following please:**

Tinned meat products i.e. minced beef, beef or chicken casserole, ham etc.;
tinned/packet vegetarian products; tinned/packet beans; pulses; Tuna; Jars of pasta sauces (not spicy/curry); Tinned vegetables i.e. peas, potatoes, carrots, sweetcorn;
toilet rolls; shampoo; toothpaste; deodorant; liquid soap; bars of soap; kitchen rolls;
cleaning products; plain biscuits; chocolate bar biscuits; crisps.

We now have the opportunity of a fridge to store basic chilled foods i.e., milk, butter, spread, eggs.

If you would like to donate such items, please contact us directly to make arrangements.

Donated goods must be clean, any packaging sealed, labels intact and in date – otherwise we are unable to use.

- ★ **A reminder to our Pantry clients** to return the bags to our delivery teams please.
- ★ **Donations of shopping bags** - particularly ‘bags for life’ will be greatly appreciated
- ★ **Apply to join our Committee** - get more involved in how we develop, please contact us if interested.
- ★ **Apply to be a Volunteer** - lots of different opportunities if you’re over 16 years of age, please contact us.
- ★ **Help at our events** - If you can offer an hour or two to assist, then please contact us.
- ★ **And Finally A HUGE THANK YOU TO OUR RECENT SPONSORS!!!**

Holme Grown Sunday Scarecrows and Open Gardens

The Scarecrows have all been judged! Our judges were very impressed with the high standards and enjoyed all the entries, it was a difficult decision to make. Thank you to everyone for taking part and adding to the fun!

The winners:-

1st Paul O'Grady
2nd Aunt Sally and Worzel Gummidge
3rd Jack and Jill

Highly Commended:-

Chainsaw Man
Holme Helper
Champion Man

Thank you to everyone who kindly opened their **gardens** for viewing, I'm sure we all got some ideas for our own gardens! The judges were very impressed by the quality and sheer hard work that had been put into each garden.
