

HOSM GRAPEVINE

MAY / JUNE 2023

WHAT IS THIS PRESENTATION ALL ABOUT (see pages 8-10)?

There is a long and unbroken tradition in our country of celebrating Royal Jubilees, Weddings, and Coronations with the Lighting of Beacons.

As a lead up to the Coronation Weekend, Holme on Spalding Moor Parish Council will light the Beacon at the Church on the Hill on Friday 5th May 2023 at 8:30pm, followed by the singing of the National Anthem. Residents are invited to join in.

DISCLAIMER

Every effort will be made to ensure all items are present and correct. There may be the odd occasion that items will be edited so as to fit the page limits or held back until the next issue. Grapevine is produced and edited by a volunteer. The placing of adverts in Grapevine does not mean any endorsement by the publishers or councillors.

THE DEADLINE FOR THE NEXT GRAPEVINE IS

Wednesday 28th June 2023

Other Grapevine deadlines for 2023: -

Friday 25th August

Wednesday 25th October

Wednesday 27th December

Please note these dates are subject to change and are for indication information only.

PARISH COUNCIL MINUTES

Parish Council minutes are no longer published in Grapevine due to processing problems. They can, however, be viewed on the Parish Council website <https://www.hosmparishcouncil.co.uk/> and also on the parish council notice boards. You may need to copy the website details into your search engine. To access the minutes, go to 'tab' Parish Council and click on the first item listed and all published minutes and agendas are available to view.

PARISH COUNCILLORS

Parish Councillors are due for re-election at the next elections and the list will be available once new councillors have signed their Declarations of Acceptance at the meeting on May 17. The information will be published in the next Grapevine but will be able to be viewed on the parish council website much earlier <https://www.hosmparishcouncil.co.uk/>

Both Ernest Smith (52 years' service) and Anthea Waudby (approx. 12 years' service) have stood down

(RICHARD) ERNEST SMITH

The parish council recently celebrated the retirement of Ernest Smith.

The following is a summary of his achievements and life story.

Ernest has been a Parish Councillor for 52 years and he has now decided to step down and have a well-earned rest.

He has given up many hours of his time and had been friendly, knowledgeable, supportive and a caring member of our community and the parish council.

He has over the years also been a mentor for new parish councillors and is always on hand to help, guide and advise them as they accustom themselves to their new roles.

He has served on most of the various committees of the council, and he has overseen the celebration of many special occasions in the village including VE Day and CJ Day celebrations.

As chairman of the parish council, he assisted the clerk with resolving problems of one of the largest parish councils in the country. He always planned family holidays around meetings and therefore rarely missed a meeting.

Ernest has also been a hard-working committee member of the annual sports, Gala and Holme Feast committees over the years and given endless fun to many generations of Holme on Spalding Moor families. He was also involved with various Christmas events, and it is rumored that he donned a red suit more than once!

When the time came for the parish council to find some more space for burials Ernest was a member of the burial committee that established an extension to the graveyard.

Ernest also serves as a trustee representing the Holme Parochial Charity at the Sir Marmaduke Constable Charity Trustee meetings. As a Trustee he is involved with the Relief in Need and Educational Charity serving as a co-opted trustee helping support the younger generation of the village with educational grants, Christmas grants for the elderly and much needed support for the organisations throughout the community.

The parish council were awarded quality status by ERNLICA and much of this was down to Ernest when he was chairman.

PERSONAL HISTORY – He was born at Sandhill Farm 1st November 1929 where he grew up and farmed all his working life. He is now retired and enjoys seeing his son and grandson become farmers.

The Smith family moved to HOSM from Melbourne in 1785.

The Smith family moved to Sandhill Farm in October 1871 150 years this year.

He has been married to Sheila (nee Stewart) for 67 years.

PARISH COUNCIL – he was elected to the Parish Council May 1971, and has served without a break ever since. During this time, he served as Vice Chairman for approximately 10 years and as Chairman for approximately 13 years. Some of his achievements included the organisation of the village celebration for Queen's Silver Jubilee when vice chair and when he was Chairman he negotiated and completed purchase of land for new Village Cemetery. He is still a member of HOSM Parish Council.

SCHOOL GOVERNORS – he served in this role for many years.

VILLAGE HALL COMMITTEE – he served on this Committee for about 40 years including chairing the group that organised Village Celebration Concert to celebrate the Village Hall Anniversary. He still attends meetings as an Honorary Life Member.

HOLME FEAST CHILDREN'S SPORTS COMMITTEE – He served on this committee for over 20 years most of the time as Chairman. He helped raise funds for the annual Fete Sports and Tea each September.

HOLME PLAYING FIELDS ASSOCIATION - For several years he organised the Village Knockout Day Competition for this committees funds. It was transferred to the Scouts for their fund raising day.

BADMINTON CLUB – he was a founder member of Holme Badminton Club and played regularly until age took over and he had to retire.

HOLME & DISTRICT FARMERS DISCUSSION GROUP – he has been a member of this group for over 60 years after leaving Holme Young Farmers Club where he had served as Chairman. He was Chairman of Discussion Group for 43 years. His son, Richard, is also a member and is now Chairman.

HOLME EDUCATION AND IN NEED CHARITY - he has served as a trustee of this committee for 48 years and is still a Trustee. He also represents this committee on Sir Marmaduke Charity at Market Weighton.

HOLME SELBY ROAD METHODIST CHURCH, now known as Wolds Edge Methodist Church @ Holme on Spalding Moor – he has been a lifelong member of the Chapel since childhood being part of fourth generation of his family to belong to this Chapel. He was a Sunday school teacher for a number of years and has held many other offices including Treasurer Church, Steward, property steward and pastoral visitor. He still holds the role of Church Steward and pastoral visitor and has been Senior Steward for quite a number of years. As well as the Holme on Spalding Moor Chapel he has served as Church Steward for the Pocklington and Market Weighton Methodist circuit.

As a member of the Methodist Church in the village his efforts were endless, these included: Christmas, Easter and a summer events for the small children, Harvest Festivals and organizing various entertainments such as visiting choirs garden parties with tea. These are now a distant memory but sadly missed.

The potential benefits of learning Tai Chi are enormous and varied. If you suffer from tension and stress, you will find that, with practice, Tai Chi will help you to learn to relax.

Instructor Profile: Howard was born in Hull in 1946 and began training under Chee Soo in 1973. He has been an instructor of Tai Chi Chuan since 1976 and is the holder of the 6th Tengchi Master Grade. He lives with his wife, [artist Gisela](#), in Holme On Spalding Moor, East Yorkshire (see photograph above)

Howard's early fascination for these arts soon grew into a life-time vocation, realising that they went beyond a purely physical discipline, but was also a tool for self-development, spiritual growth, and a way of helping himself and others to achieve holistic health and well-being.

HOLME-ON-SPALDING-MOOR WI - CELEBRATES

If you enjoy a good sing song, then you would have loved our **March** meeting. Our member Miriam Betts entertained us with a most enjoyable and educational 'Musical Theatre Soiree'. Members sang along, led by Miriam, to a variety of popular songs from various musicals. Miriam teaches singing as well as singing herself with York Opera so you could say a very busy lady indeed.

In April, Derek Clark returned with his collection of most unusual objects for us to guess what they were which always causes much laughter. April also saw our annual yellow raffle event which raises money for the Marie Curie charity and this year we raised over seventy-five pounds which included proceeds from the sale of beautiful craft items made by the charity's representative Pauline, who attended our meeting.

On April 23rd, seven of us attended the Annual Meeting of our East Yorkshire Federation of WI's. This was held at the Mercure Hotel in Willerby where on behalf of Holme on Spalding Moor WI we were proud to be presented with two certificates recognising our achievement of this year celebrating our 100th anniversary. We enjoyed a super afternoon listening to David Harper (from Bargain Hunt, Cash in the Attic, and others) talking about the Georgians, the subject of his new book which sounds serious but there were lots of laughs. It's amazing the wildlife that used to reside in their powdered wigs

On May 3rd our meeting will focus on discussing the state of our rivers, a topic which will also be discussed on the 25th and voted upon at the National WI Annual General Meeting held this year in Cardiff to which two of our members will be going to represent H.O.S.M.

In June we have a talk by Sue Southcoat about Mineralogy. No one can say our speakers are not varied.

We meet on the first Wednesday of each month in the Community Room of the Village Hall at 7.30 pm prompt. It is £4 each for visitors which includes a speaker, tea, coffee, and home baking. On the second Tuesday of each month members meet for a morning out to various garden centres for coffee and cake.

Do think about joining our extremely friendly group. We like fun and we like cake, two excellent reasons to join us.

STREET TRADING
AND
COLLECTIONS
LICENSING POLICY

Introduction

As a licensing authority, we are keen to support street traders and street collectors, as they are a sector of our small business community and /or charitable organisations that provide a valuable service to customers across the East Riding. The street trading service is particularly appreciated in remote communities where hot food provisions may not always be readily available. Street Collectors aim to raise funds for charitable causes to assist those in need or for research purposes.

This policy, which covers the whole East Riding area, is designed to ensure that all street traders operate from a level playing field and by doing so make things fair for all traders and safer for customers. We will make sure that areas are not saturated by street traders, giving businesses a fair chance of making a living.

We will ensure that licensed traders and collectors are complying with the law, protecting consumers from unsafe practices, maintaining environmental and public health standards whilst also raising standards.

Holme upon Spalding Moor Primary School

Governing body vacancies.

Do you have the skills and experience required to be effective as a governor of our local primary school? A governor will...

Have time and flexibility to attend at least 3 meetings a year of the full governing body, plus a further 3 meetings for each main sub-committee of which they are members, plus quite possibly further time spent linking with a particular class or learning about a particular subject and how it is developed through the school.

Have work or life experience and skills useful to the work of governors as a whole, and which complement the skills and experience of other governors.

Commitment to working for the very best for every child, at every chance, and in every way!

Ability to be a 'critical friend' to the school as someone who wants the very best for everyone who attends.

Willing to undertake a DBS (Disclosure and Barring Service) check and to complete various training modules to familiarise yourself with the work of being a governor and to ensure we safeguard children's safety and welfare.

Ability to work as a team alongside other governors, school staff and others with a valid interest in the school (such as the local authority) to help secure the best outcomes possible.

I'm sure there will be other things needed too... but you get the idea? The school governing body currently has 2 vacancies for co-opted governors (from the community). If you feel you have the skills, qualities and experience we need, please get in touch for an informal discussion.

In the first instance contact Mike Worsey, School Governor:-

Western Wolds Men in Sheds

The NHS has recognised the great value of Men in Sheds with its benefits to men's mental health and well-being.

We are informed that they now have a well-being practitioner available at surgeries who have started to refer men to men in sheds alongside other support organisations.

East Yorkshire council organised a well-being event held at the Town-hall in Market Weighton.

Our shed was represented by Nick and Neil.

Spring at the shed is definitely here with renewed energy the team have nearly completed the construction of the new workshop.

Membership is growing steadily and the shed being open on Fridays as well as Tuesday, Wednesday and Thursday has been welcomed by all.

The miniature library for Hemingbrough has been installed and is being avidly used already.

We have delivered a charity wishing well to Smith's Garden Centre. David spent a considerable amount of time constructing this and his painstaking attention to detail is self-evident.

The Lions are the beneficiaries of any donations through this great project.

Our new Committee has been voted in and the first meeting was a great success. We are proud to say we have joined modern society by going paperless, a task taken on by Chris.

We are using a large screen to display the agenda and other online documents; it is available on members smartphones as well. So, we are proud that despite our age range we are getting to grips with technology.

On a more general note, Dave and Steve have taken an active role in refurbishing the wood workshop, which is slowly changing to enable more members to have workspace to create their projects.

New members are always welcome, and we have a membership of over 42 at present.

Donations are always welcome of tools, timber and even cash.

Sponsorship is a consideration that we are open to, and Andy D is actively involved.

Don't forget to check our Website:- WWW.westernwoldsmis.co.uk
There is a video and photos on it, also in 'other links' near the bottom of the webpage there is a link to our blog. This is identified as a B in an orange square.
This has our frequent updates and more photographs.

Bicycle security – advice from Humberside Police

Thousands of bikes are stolen every year across the UK, so what can you do to protect your bike?

- If you haven't done so already register your bicycle's frame number along with any pictures and other details, you have on www.immobilise.com. (Registration on Immobilise only takes a few minutes and it's free. All you need is your bike's make, model, identifying number code(s) and a few photographs). If your bike is stolen or lost this free online register will inform all UK police and registered second hand dealers that your bike is missing, and should it be offered for sale to a registered dealer or come into contact with any police force then a check of the system could reunite you with your stolen or lost bike.
- Invest in a quality lock or chain, e.g. a D lock, to help reduce the risk of your bike being stolen. Consider using two different types at the same time, as thieves rarely carry tools to break two different lock types.
- Lock your bike every time you leave it – it only takes seconds to steal! Keep the gap between the bike and the lock small, so inserting tools is made harder and wherever possible keep the locking barrel facing the ground too as this makes access more difficult.
- Look at where you are storing your bike and make sure that your shed or garage is secured with a good quality lock. Many shed windows are never used, if this is the case – why not screw them shut. Fitting mesh or steel bars across the window from the inside allows light to enter but means the thief has to go to a lot of trouble to remove them. Replace broken glass with laminated glass. Consider putting an alarm on the shed too – this could be a battery alarm or look at having the shed connected to the house alarm if you already have one.
- Consider buying a cycle anchor that can be bolted to the wall or floor of your shed which your cycle can then be fastened to or if you have several cycles lock them altogether.
- If you are having to leave your bike out on the street, where possible leave it in a well-lit area and lock both the frame and wheels to the bike stand. If there is no stand, ensure that it's locked to secure street furniture e.g. railings or a lamp post. Try and avoid leaving your bike out overnight (even if well secured) and take with you anything that can easily be removed e.g. lights or quick release wheels.

Also if you are considering buying a second-hand bike, make sure it's not stolen:

- Check the cycle for postcode security engravings and question the seller if the postcode does not match their address.
- Ask for the buyer's pack - original documents, receipts, tools and handbook, which came with the bike.
- Check the seller's knowledge of the bike, its size, make/model, who rode it, why they are selling, is their story credible?

Hello to all our Clients, Donors, Supporters and Volunteers.

- ❖ **We continue to be busy with our Pantry services and could not do this without the continued support of our very generous donors, so a huge THANK YOU!**
- ❖ **We have an increasing number of prescriptions we deliver to housebound clients, so a big THANK YOU to our volunteers!**
- ❖ **We are planning an event in collaboration with the HOSM Scouting groups for the **Coronation Big Help Out on Monday 8th May** so if you are ready for a volunteer challenge and get involved in the village then look out for our poster!**
- ❖ **Our Facebook page continues to be well used, and it is great to see so many of you interacting with us. It has reached 950 people and we have now gained 88 followers, please share wider as the more the merrier! It has also become a page to link with the wider Holme community to share information and bring the village together.**
- ❖ **We had hoped to add a 'donation' button to the Facebook page; however, this is not feasible unfortunately, but we have placed the donation boxes in both McColls shops, and you can also donate by contacting us directly to make arrangements.**
- ❖ **Further donations of shopping bags, particularly 'bags for life' will be much appreciated please.**

- ❖ A reminder to our Pantry clients to return the bags to our delivery teams please.

How you can help us this month:

- ❖ **Support the Pantry with donations of any of the following:**

Instant coffee

Tea bags

Tinned meat products i.e. minced beef, beef or chicken casserole, ham etc.

Tuna

Jars of pasta sauces (not spicy/curry)

Tinned vegetables, especially potatoes.

Toilet rolls

Shampoo, toothpaste, deodorant, bars of soap.

Kitchen rolls

Cleaning products

Plain biscuits

Chocolate bar biscuits

Crisps

- ❖ **Apply to join our committee**, so you can get more involved in how we develop, please contact us if interested.

- ❖ **Contact us to join our volunteer team**, we need YOU!

- ❖ **Please share this newsletter** with those who do not have access to the internet.

A reminder that donated goods must be clean, any packaging sealed, labels intact and in date – otherwise we are unable to use.

Due to a lack of storage facilities, we are unable to accept fresh produce except by direct arrangement with us.

If you or someone you know need our support, please do contact us.

• STARS WANTED

• BY HOLME ON SPALDING

PRIMARY SCHOOL

-
- Holme on Spalding Moor Primary School is searching for stars. The STARS, which stands for Supporting Teaching and Reading Scheme, visit school to support children with their reading.
-
- The Scheme recruits volunteers to work with children on a one-to-one basis to develop their reading skills, improve their confidence and raise their self-esteem. The aim of the scheme is to provide relaxed, adult help to those children who do not find reading easy or who are in need of support. It also helps children to develop an interest in reading and enhance their enjoyment of books. Volunteers typically offer two hours per week.
-
- Steve Woodhouse, Headteacher at the school, said 'I have always had groups of STARS in the schools I have worked in. The children benefit greatly and we would love to have more volunteers on board in Holme on Spalding Moor.'
-
- To be a valued STARS volunteer you do not need any experience as full training and support can be provided. All volunteers are required to undertake a DBS check which is free of charge.
-
