THE DEADLINE FOR THE NEXT GRAPEVINE IS

Wednesday 25th October

Wednesday 27th December

Please note these dates are subject to change and are for indication information only.

GRAPEVINE

Grapevine is collated and edited by Mike Worsey and emailed to all those that have requested it. If you decide that you no longer wish to receive Grapevine, you can cancel it by sending an email to mjw.grapevine@gmail.com and you will be removed from the distribution list. This note is to comply with data protection rules.

GRAPEVINE DATA PROTECTION AUDIT

This audit is being performed just in case data protection want to check that Grapevine is being emailed to those people who have requested it and not as a general email to villagers.

Thank you for all those who have replied to the following email that was sent out on 4th August 2023 but there are approximately 50 who have not yet replied, and these people will be removed from the emails from 30th September 2023 if replies are not received as it will be assumed you no longer require a copy.

‘You may be aware that Grapevine published on behalf of Holme on Spalding Moor Parish Council. Over 1 year ago I agreed that I would email all recipients to check that they still wanted Grapevine emailing to them. All recipients agreed for 2022 / 2023.

It is now time to send out the annual check for 2023 / 2024: -

Some of you have only recently joined the circulation list but I have included you in the request to ensure that everyone is on the same 'timeline'.

Therefore: -

Could you confirm that you would still like your free copy of Grapevine emailing to you or would you like it removed from the listings.

If at some time in the future I decide to stand down as editor, do you have any objection to me passing your email details onto someone else?

Remember you can unsubscribe at any time.

Unfortunately, a printed copy delivered to you is still out of the question due to the cost. However, if you know of anyone else who would like an emailed copy, please ask them to email me at mjw.grapevine@gmail.com

I would be interested in any feedback from the previous year Grapevines.

Anti-Social Behaviour - HOSM village hall play park (August 2023)

The following letter was recently sent out by Humberside Police: -

Dear resident,

Humberside Police are investigating recent reports of ***Anti-Social Behaviour at the village hall play park/field, Holme Upon Spalding Moor.***

Reported behaviour includes **climbing and damaging fences, throwing litter into resident's gardens, rowdy behaviour into the early hours, drinking alcohol, playing loud music, smashing glass onto the field and setting fires.**

Whilst this facility is there for the whole community to enjoy, there appears to be a minority that are spoiling it for others and anti-social behaviour and criminal damage will not be tolerated.

Humberside Police work with our local partners East Riding of Yorkshire Council's Anti-Social Behaviour (ASB) Team and we encourage that you report this type of behaviour to ourselves via the police non-emergency number 101 or contact the ERYC ASB team on 01482 396380.

Additionally, you can report incidents and crime through Humberside Police's web site or anonymously to Crimestoppers or call them 0800 555111.

Make a difference to your community by helping us to help you!

HOLME ON SPALDING MOOR POPPY COLLECTION INFORMATION 2023

It's more important than ever that we support this year's appeal as the need for help from those who have served our country so well is as great as ever and the finances to give that help are even further stretched.

Last year in **our area** (including Market Weighton) we raised over £11,000) from all the poppy boxes and **unbelievably over half came from manning a stall in Tesco in Market Weighton**. Any help you can give to support us in Tesco this year, seats are provided, register your car to allow for free parking whilst on duty and full access to staff canteen etc. between 27th Oct and 12th Nov will make a big difference. Three shifts are available 8 to 12; 12 to 4; and 4 to 8pm. every day except Sunday when the times will be 10 to 1 and 1 to 4. Just email lionelmcc@aol.com this year's Poppy Organiser with your name and contact details Help us help the deserving people who need our help.

Listen to the stories of veterans. They are always willing to stop for a chat.

For over a century people have worn a red poppy to remember those who lost their lives in World War One - but this year the iconic flower will get a green makeover. The poppy will be made without plastic for the first time, in a 'planet friendly' transformation.

Instead, the historic symbol will be created with recyclable paper, using a recipe of 50% discarded coffee cups and the rest will be renewable fibres, the Royal British Legion said.

The redesign took three years to develop with the help of experts at University College London (UCL).

Alongside the pin-on version, adhesive poppies will also be for sale.

Andy Taylor-Whyte, Poppy Appeal director at the Royal British Legion, described the new design as an “enduring symbol of remembrance, as well as being more planet-friendly”.

Wolds Edge Methodist Church@HOSM is what people will know as Selby Road Methodist Church.

As from September 2022 the Methodist Churches in Market Weighton and Pocklington areas became one church with services held on 6 different sites.

In Holme on Spalding Moor our services are held at 9.30 am at the church on Selby Road. The first service in each month is a joint service held at different locations.

The services at Selby Road: -

10th, 27th and 24th September,

8th, 15th 22nd and 29th October

19th and 26th November.

On 12th November we will be sharing the Remembrance Service at All Saints Church on the Hill.

Our Messy Church is not held during the summer and more information on restarting will be available as soon as possible around the village notice boards and other locations.

More information on any of the above can be obtained by contacting Kath Worsey of Kathleen.Worsey@gmail.com or 07740 282665.

Where and when you can see the Tour of Britain race through the East Riding.

Excitement is building ahead of the Tour of Britain's return to the East Riding - and fans can now find out what time the riders will race through their town.

On Tuesday, September 5, the East Riding will host stage three of the UK's biggest and most prestigious professional cycle race.

Starting in Goole, at the central precinct on Boothferry Road, the peloton then will head north, taking in towns and villages including Howden, Market Weighton and Driffield. The riders will then get to see what the East Coast has to offer as they race through Bridlington and down to Hornsea, before heading inland towards an expected sprint finish at Beverley Westwood.

The stage also includes a sprint section at Skipsea, as well as two "King of the Mountains" (KoM) climbs, near Market Weighton and Langtoft.

The estimated timings below are based on a predicted race speed of 42kmph, although this may vary depending on weather conditions and how hotly the race is contested.

START: Goole (Boothferry Road) 11:30am

Howden 11:48am

Holme-on-Spalding Moor 12:23

Market Weighton 12:36pm

KoM: Towthorpe Lane 12:40pm

Middleton-on-the-Wolds 12:52pm

Driffield 1:14pm

KoM: Langtoft 1:32pm

Rudston 1:44pm

Bridlington 1:59pm

SPRINT: Skipsea 2:20pm

Hornsea 2:32pm

Tickton 3:12pm

FINISH: Beverley (York Road) 3:26pm

Councillor Anne Handley, leader of East Riding of Yorkshire Council, encouraged people to line the roads to support the competitors, as well as decorating their towns and villages and creating land art along the route.

“Hosting a whole stage of the Tour of Britain is such an exciting event for the East Riding,” said Cllr Handley

“As the riders’ speed through our picturesque landscape, from Goole to Bridlington to Beverley and everywhere in between, let’s line the roads, cheer for the competitors, and show off our creativity with spectacular decorations and land art masterpieces.

“This is a day to showcase the beauty of the East Riding, so let’s make it unforgettable!”

To allow the race to take place safely, there will be some road closures at the start and finish lines, and rolling road closures as the peloton makes its way along the route.

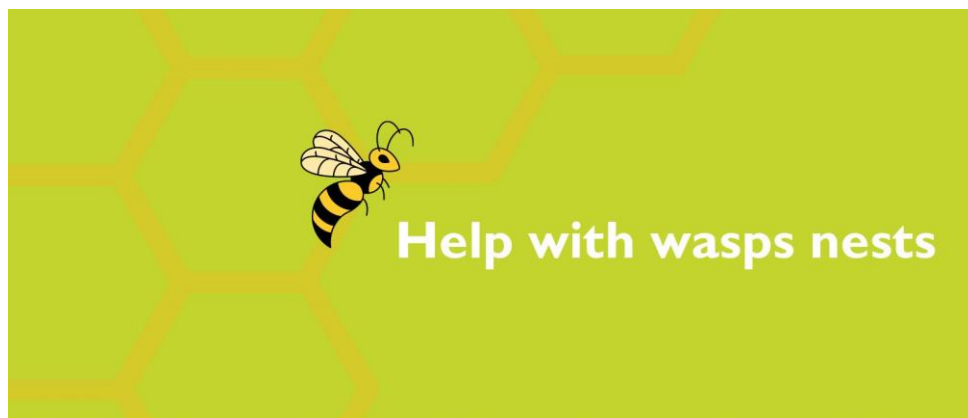

More information on road closures will be published in the run-up to the race.

The Tour of Britain 2023 will start in Greater Manchester on Sunday, 3 September, and finish in South Wales a week later.

The race will be televised daily on ITV4.

Smile's Community Development team will be in Market Weighton next month as part of an East Riding wide tour offering free help and support to local charities and groups. The Drop-In event is taking place on Thursday 7th September between 11am – 2pm, at Wolds Edge Methodist Church at St John's, Market Place, Market Weighton YO43 3AJ.

We're commissioned by East Riding of Yorkshire Council to support community organisations and groups across the county, and we want as many charities and groups as possible to know about our services and the free support available to them. In case you don't already know, our help includes everything to do with managing a group or charity such as governance advice; support through the grant finding and application process; a free equipment hire service, guidance on how to attract and manage volunteers and finding and undertaking training.

We'll be joined by a variety of guests and partners, who can talk to you about everything from how to use and search for grants on East Riding 4 Community website, safeguarding, accessing health and wellbeing support, digital inclusion, and money advice.

You can simply drop- in at any time to the event, however, you're welcome to let the team know you'll be attending by calling 01482 590270 or email: community@heysmilefoundation.org.

If you can't make the event but need advice, please do get in touch so we can arrange a chat with one of our team.

We want charities and groups to have the know-how to be beacons in their communities, particularly as we cope with the cost-of-living crisis. So, please feel free to share this invitation with others.

October 4th - we have Jacqui Tankard to tell us all about Street Angels.

October 20th:- will be held in the school hall. This event, a fashion show, will mark Holme WI's 100th birthday. The very first meeting was in October 1923, and we are still going strong so every reason to celebrate. Our members will also be celebrating with a trip out for lunch later in October, but the fashion show is open to all with a chance to pick up famous label bargains.

Details of both of the above will follow in the form of posters around the village as well as appearing on HOSM Community Facebook page. Keep a lookout.

Back to our meetings. **July and August** have been and gone with beautiful flowers with a difference in **July**. I don't think I have ever seen so many different types of flowers in one place. Our speaker, Jan Falkingham, brought bucket loads of flowers for members to make their own posies in a jam jar. There were plenty of stunning arrangements created which lasted at least a week if not longer.

In **August** we heard from Kathleen Barnett who told us the stories of animals rescued in the wild by humans with a talk entitled 'Making a Difference'. Kathleen brought plenty of slides to illustrate the stories.

At all of our meetings we serve tea and coffee and amazing home baking. We have a raffle and a competition too.

The fee for a visitor is £4. We start at 7.30 pm prompt on the first Wednesday of each month in the Community Room of the Village Hall.

Don't forget we also go out for coffee and a bun on the second Tuesday, meeting on the Village Hall Car Park at 10am. Plenty of lifts available. We usually aim for a garden centre so retail therapy is included after coffee.

So much goes on in WI, too much to list here but if you would like to find out more, then just come as a visitor to one of our meetings. You can come just once if you wish although visitors usually return and join us permanently. Alternatively, give us a call. My telephone number (Sue) is 01430 861082 or ring Vera, our secretary on 01430 861480.

Please note that you can no longer use the old-style stamps, but you can still exchange them for the new style.

If you use the old type of stamp the receiver of the post will have to pay a handling fee

We've added barcodes to all our regular stamps. Regular stamps without a barcode* are no longer valid for postage. This follows the introduction of a 6-month grace period from the initial 31 January deadline. Swap them for the new barcoded ones.

The stamps that have changed are the stamps (pictured below) that will be very familiar to you. They feature the profile of Her Late Majesty The Queen on a plain coloured background. The barcodes will enable exciting new services by connecting physical stamps to the digital world through the Royal Mail app which you can download.

Newsletter – September 2023

Welcome to the Friends of Holme School September Newsletter. We have had a busy end of Summer Term at school, raising over £500 from our first fundraising events, including the sale of refreshments at the School Sports Days and a uniform sale at the end of term. This money, as well as some generous donations, have gone towards our first FOHS project: the revamp of the Nursery Outdoor Area.

Nursery Outdoor Area Update

We have been busy behind the scenes over the summer break with a team of volunteers to revamp the area. Work has included, re-painting the fencing, updating the mud kitchen area, construction area, music area, as well as adding new equipment to enhance the space. We have been overwhelmed by the generous support of local businesses and the community who have donated money, equipment, and made a whole host of items to improve the space.

Thank You!

A huge Thank You to everyone who has donated to the project. The Dulux Decorating Centre in Hull has kindly donated all the paint for the fencing and shed. We have received wood chippings for the construction area from J & S Vicary. A kind donation for new tricycles from At Holme Computing and lots of tyres from Crown Commercials, Southgate Garage. We have also received generous donations from members of the community that have enabled us to get new equipment. We have had many volunteers help who have taken time out of their holidays to come and assist in improving the space. Through a combination of donations, volunteers and money raised from our Friends of Holme events, we have been able to give the space a new lease of life.

How Can You Help?

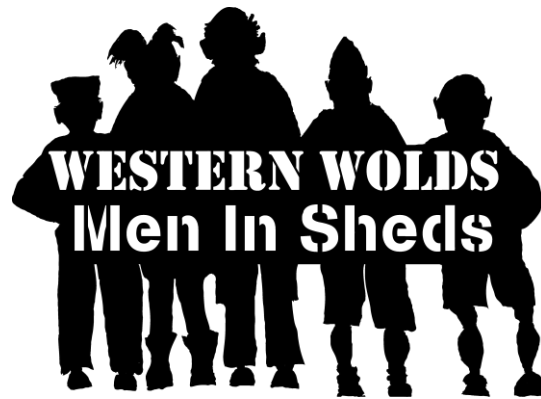

We are always looking for sponsorship and donations for ongoing projects and would love to hear from you if you could help in any way.

This damp summer has certainly brought members to the shed more frequently and new members are arriving on our doorstep weekly.

Giant Bradley Day was a huge success and the fine weather brought crowds out to enjoy the main street of Market Weighton closed for the day. Our stall attracted a lot of attention and wooden and metal articles made by our members were eagerly snapped up by people happy to make a donation to our funds.

The day was spent with a flow of our members calling in to our stall and spending time chatting to people about our shed.

The whole of the day was busy but very enjoyable.

Our village membership is growing as well as new members that come from further afield, such as Howden, Market Weighton, Pocklington and many villages around.

The bridge at Bubwith being closed has caused real problems for members in North Duffield and Selby who are struggling to get here especially when the Wressle road was closed at short notice.

One member tried to come via the bridge at Sutton upon Derwent last Friday, to find that bridge was closed.

We had a stall at Pockdown at the Rugby Club in Pocklington and again a huge number of people chatted about our shed.

The networking of assistance to men is gaining momentum finally after years of no real support and Men in Sheds is shown as a champion in this area.

We are helping to combat loneliness and other problems created by isolation or sometimes just the lack of somewhere to go for a chat.

New Sheds are springing up across East Yorkshire and Lincolnshire and we are part of an Alliance to assist other sheds if we can.

The wind farm graciously gave us £3,000, and the Acorns gave us a further £500 helping to make us able us to increase our membership.

Members recently had a trip to the Farming Museum at Dunnington and a canal boat trip is planned for September from Melbourne.
