Western Wolds Men In Sheds are based at Oaks Farm, Bulmer lane, HOSM and are pleased to announce it reopened on 20th April.

We were very fortunate to have received grant funding from St. Helen Goat Farm at Seaton Ross that has enabled us to equip a metal work room. This adds another dynamic in our ability to accommodate members and future member requirements for making things both in wood and metal.

We are also hoping to add to our wood turning lathes with a small metal work lathe with possibly a milling attachment.

Our meeting room is now able to use broadband and the ability to use online training with YouTube.

Thanks to Tesco a further grant was awarded to the shed and discussions are underway by members to decide how to use this money.

We at the shed are very grateful for these generous grants. New members from the village and surrounding villages will benefit from these grants over the coming years.

Please feel free to call Tuesday Wednesday or Thursday between 10.00 am and 3.00pm and have look round. You are welcome to give us a call on the phone number in the list of associations or you can contact me on my Facebook page: Andrew John Crawford or my mobile 07746336963 or 01430 652311

Holme Helpers

Holme Helpers is a Holme on Spalding-Moor village volunteer group and the legacy from the COVID-19 group which was established to deal with the lockdown in March 2020 due to the Coronavirus.

The aim of Holme Helpers is to establish a volunteer group for the long term, not just whilst we all endure the ramifications of the COVID-19 virus. The transition has already begun despite the fact that the virus is still very much with us. Many of the volunteers from the COVID-19 group will also be volunteers in Holme Helpers, ensuring a smooth switchover.

In practical terms in the short term this will continue to mean the following services:

- Going shopping for residents and delivering it to their doors
- Collecting and delivering prescriptions.
- Operating the Holme Helpers Pantry

If you need to take advantage of these please call Holme Helpers on **07395 935907** (the same number currently used by the COVID-19 group). The number is not manned 24 hours a day but we will pick up your number and return your call as soon as possible.

We are always keen to hear from people who wish to join the group as a volunteer, whether that be as someone to help out with the services / projects we deliver, or those whose skills could be used on the Holme Helpers committee, or both! The more the merrier so the workload can be spread and mean your commitment is not too onerous.
