Western Wolds Men in Sheds

The shed is sorry to have to announce the sudden death of our Chairman Richard Wilkins.

He was a founding member of the shed and his unwavering enthusiasm and sheer strength of personality directed and formed the shed into the success that it is today. He is sadly missed, but would have asked us all to carry on and continue the great support the Men in Sheds affords the community.

Our membership has increased dramatically since lockdown has been lifted. The shed is large enough to accommodate a few more members.

The directions given to our shed seems to have been incorrect in last month’s Grapevine:-

To find us drive down Baileywood lane out of the village for 1/2 mile; turn right at the junction and Oaks farm is the first turn off on the right. . We are located at the bottom of the farmyard and there are small direction arrows.

The kettle has been in high demand as members seem to be spending more time chatting in the warm meeting room.

A great deal of metalworking has been going on with two new members from Wilberfoss eager to try out the fantastic new facilities.

Another new member from Shiptonthorpe is in the process of creating outside furniture for his garden.

We have a retired chef and an avid cook that have plenty of recipes they share. My wife is delighted with my attempts in the kitchen, or so she says!

H.O.S.M. CALENDAR UPDATE

We are into 2022 now and we began the year in January with a quiz for our members. The quiz was devised and organised by one of our members and enjoyed by all, as was of course, our members' tasty home baking.

In February we had a talk by Mr. John Beynon about the work of the Jacob's Well Appeal, a charity working on behalf of people all over the world and very informative it was too.

Either side of those two meetings we had our monthly coffee club which was at California Lodge in January and Gilberdyke Garden Centre in February. Coffee and toasted teacakes are a must along with a spot of retail therapy.

OUR March meeting (2nd March) which is yet to happen as I write, but which will have been and gone by the time you read this is. It is A Photographic Journey with Barbara Young.

In April on the 6th we will be entertained by the very comical Mr. Derek Clarke who brings with him some very strange antique items for us to guess what they were used for. Usually quite a few surprises there.

On March 8th our coffee club will be a trip out to Selby Garden Centre. The cafe/restaurant is well worth a visit as is the garden centre itself, whilst on April 12th we will be visiting the Olive Tree at Ellerker Garden Centre.

Our members meetings are on the first Wednesday of every month in the village hall community room starting at 7.30 pm.

Coffee club meets on the village hall car park on the second Tuesday of each month at 10am. Plenty of lifts available, you do not have to drive.

For further information you can ring me, **Sue, on 861082 or Vera on 861480**

Also, our posters for next meetings are always displayed around the village as well as on the HOSM Community Facebook page, beautifully designed by Sharon.
